

MEMORIALS & HONOREES

Donations made in honor or memory of individuals, pets, and families are acknowledged on our donor wall at the shelter and once a year in our annual printed report. Starting in 2016, HHS will also list all honorees and memorials in a "legacy" book showcased onsite.

Memorials: Please complete the form and let us know if you wish HHS to send an acknowledgment thank you to a family member or friend. Donations of \$100 or more will also be considered a Paw Sponsorship. Your one-time donation will help defray the costs of food, housing and medical care for the animals waiting for adoption.
