HHS requires an adoption fee (see list below) for this animal to help defray our expenses for food and veterinary care provided. HHS has a very limited budget. The adoption fee is **not refundable** under any circumstances. If the animal is not already spayed or neutered, there is an additional **\$100.00 spay/neuter deposit** that can be used as credit towards participating veterinarian clinics or is refundable once we receive notice that the spay or neuter procedure is done by the date indicated by the date on your adoption contract.

**Adoption Fees:**

Canine – Adult (over 1 yr old)	\$100.00	Feline – Adult	\$ 50.00
Canine – Puppy (under 1 yr old)	\$125.00	Feline – Kitten	\$ 60.00

(We reserve the right to raise the adoption fee for purebred animals.)

I certify that the information provided on this application is accurate. I understand that giving false information or withholding information on this application can be considered a violation of the adoption agreement and result in the HHS reclaiming this pet. By choosing to adopt, I understand that I am expected to make a considerate commitment of time and money to this animal for his/her lifetime – up to 20 years in some cases.
